AIMS INSTITUTES

Vision

“Transform youth into professionals of global excellence with a deep concern for society”

Mission

AIMS Institutes continuously strives to:

Establish and maintain the state of-the-art infrastructure

Engage faculty of the highest competence

Improve teaching aids, methodologies and training tools for both faculty and student

Inculcate in students the spirit of team work, leadership, entrepreneurship, global perspective, quality, values of ethical behaviour and sensitivity to society.

Nurture professionalism and effective industry interaction

Objectives

The primary objective of AIMS Institutes is to provide quality education to create:

Dynamic leaders for the industry

Academicians and researchers with relevant knowledge

Entrepreneurs and professionals of high calibre

Citizens sensitized towards the societal needs

Quality Policy

AIMS is committed to create an environment for intellectual, professional and value-based thinking and practices, to provide the foundation for lifetime of personal growth and development

This is achieved by adopting benchmarks for:

- Innovative teaching-learning practices.
- Professional Global Practices
- Critical Thinking and Research
- Ethical and Social sensitivity.

And Setting the direction for achieving the Vision of the Institute.
